"NVA has been the vision provider for the AFSCME DC 47 Health & Welfare Fund for over fifteen years. Plan design and flexibility were two of the biggest reasons that NVA was chosen to be our vision carrier. During our fifteen plus years with NVA, the Trustees of our Fund have looked at other vendors, but the savings and service received by the Fund over these years have resulted in us maintaining our relationship with NVA. Our members have been served well." — *Bob McAllister, Fund Administrator of AFSCME DC 47 Health & Welfare Fund*

"If your primary concerns are competitive pricing, flexibility in plan design and responsive customer service, look no further than National Vision Administrators for your vision benefit needs. As a client since 1999, we can attest to NVA's commitment to be a valued partner of the Teamsters Local 830 Health & Welfare Fund." — *Sam Kenish, Administrator of Teamsters Local 830 Health & Welfare Fund*
